

In 2004 Downlow featured an artist we came to believe was to become one of the most influential and up and coming street raw rappers around. This individual had built a reputation as being an artist that would turn the rap music industry on its head and make even the most skeptical music pundits quake in their boots. A new Armageddon had arrived. Two years on rap artist, the highly successful, Mr Capone-e has firmly secured himself in the underground hall of rap fame surpassing all his predecessors. He is now ready to unleash his wrath on the rest of the world.

What's Intrigues Me About You Is Even Through You Have Broken Several Sales Records, Developed A Massive Fan Base Not Just In The US But Worldwide, Toured Europe and Japan And Not To Mention Created A Unity Amongst Varrrios (brown ghettos) Which Were At War With Each Other For Many Years, You Still Can Be Found On The Streets Of Your Hometown?

Well most of us at Hi Power are on another level and mind state. Some of us were locked up together some bang together so we just got the best in the west all connected and we created one of the realest labels ever in history. No lame businessman with a degree as the ceo, just all gangsters that are trying to do right and change the game and still be found in my hood cuz thats where the heart is you know I can be in a penthouse suite in a rich city but if the homies from the hood aint there it aint fun.

Is The Westcoast Really Back?

Well the west coast is a tricky subject the reason why people think it fell off is because they are all looking at the wrong place. Back in the 90 s most of the homies used to bump NWA,Ice Cube,Mc Eiht,Quik,Snoop,all the stuff since we were out gangbanging. Now us gangbangers grew up and we are the new west coast, the
