

DA ENFAMIS 1 & THC

HARD 2 HANDLE

How long you both been rapping?

(Enfamis1) Professionally about 5yrs but I've been rapping for about 10 yrs or so I've started freestyling first for fun then it involved to writing songs.
(THC) over 10yrs I dont really keep track.

You homies go back to the old school alot?

Yeah we grew up listening to funk.

Who gave you your names and what does it mean?

(Enfamis) Well all the homies call me Da Enfamis "Speedy Loco" 'cause I'm Active!
(THC) obviously!

"What You Gonna Do" who did that production on that song it's different?

(THC) I like the fact that you say is different

You cats from Santa Ana what's poppin' there?

Bristol...For you guys out of CA State that's a street where everyone cruises mostly every weekend I mean bumper to bumper low low's.

Is your music gangsta or what?

I won't really say is to gangsta there's some g... in it. We talk about life rides women and money.

"Why You Lie To Me" that song what is that about some drama with your baby momma?

(THC) yeah it's something I went thru all true. Something everyone can relate to. This is what me and Enfamis 1 call it therapy.

What you feeling right now in rap?

Well rap has always been there so it's All Good.

So what inspire you guys?

(Enfamis1) Well music was always in me. shit! I even remember back in the days my moms use to wake me up in the weekends blasting her music she use to put on old Spanish records like Vicente Fernandez, in the living room drinking some brews yeah those were the days.

(THC) Man I take it back to NWA That was the shit for me Eazy E ,Cube and Dre. That got me. Everytime I hear A tight beat is like chills up my spine music is how I connect with people.

Do you rap in Spanish or just English?

(Enfamis) well I always flow in English but I've got a couple jams in Spanish.
(THC) Just English.

What songs you like on the album?

The same one you mention "Why u lie to me" and tracks 11&14.

Who is the tightest rapper out these

days?

Us Ha.

What happening after this album?

More Albums straight up! Look out for our solo albums "Da Enfamis1" (Best kept secret) & "THC" (Illegal substance)

How long did it take to make this album?

About A year in a half we milked it.

What else y'all doin'?

Just staying busy and grinding.

Any crazy shit happening?

(THC) Well recently my Ex smash my windows and slashed my tires.

What else is poppin'?

Right now were just doing shows and music.

How can homies buy your album and what are the websites?

Well hit us up at WWW.Hard2HandleEnt.com cdbaby.com Buy online, Tower Records.

Who else participated in this Record?

(Enfamis1) Well we gotta give it up to Dean Cooper & Steve Bartelloni III of Hollywood music and TV cause they were A big part of this project and other projects "Dino" was A big help one of the best and fastest Engineers I've worked with genius. Thanks alot guys.
