

SPANKY LOCO

TIRANDO Y RIFANDO

What's the name of the new album?

My album is called the *Loco Life* and it features alot of people on it, I've also got the Spanish album out (Tirando Y Rifando) and I put out the 310 west gang, in the lifestyle! So I got 3 titles to look for!

When do the albums drop?

The albums dropped Aug 30th so you can go to any retailer and ask for Spanky Loco and see what he's got for you, or you logon to www.310westent/store.com

to buy it online!

Name some of the new albums?

Shit I got a whole lot of recordings that I've been doin' so really I'm puttin' out alot of artist ,groups and things of that nature along with Don Benzo (**CEO as executive producer of 310WESTEntertainment**, so look out for that L.A. sound to rock your area!

That song with Jayo Felony is off da hook how did you hook up with him?

I hooked up with Jayo at a studio in san Bernardino California and so it was just

one of those things where he was diggin my stilo and he had to give me mad props on what I was doin' so if you hear that track he's all over the chorus and does like 8 bars and just shows his love for one of the hottest mc outta Cali rippin' it right now you feel me?

You got that Chicano rap flavor who else you bump now?

I bump all my shit that 310 west shit... Like Huero Snipes, young ghost, Woodie Loco, Nasty Boy.... I'm real busy at puttin' together the hottest gangster rap acts that the west coast has raised!

How long you been rapping?

I been rhymin for a dozen years now, on the block, for homegirls and homeboys so I always had that shit in my head since I was a kid you know? but I got out the pen just after 02 and I was like fuck that I ain't tryin' to live like that no more, I gotta do some then, so it just happened. I hooked up with Don Benzo and it was on!!

Spanky Loco how did you get that name?

That's my hood name; all the homeys know me as Spanky.

Where you from?

I'm from West L.A., Cali.

What is your rapping about?

The streets, our lives, experiences, partying, love, sex, hate, death, birth, drugs, cars.

What's life like in Los Angeles?

Its cut throat. its real dangerous if your affiliated!, sobut its the most wonderful place in the world too surrounded by many classes, races, and colors, sounds and so much more, L.A. is cool.

I hear you produce everything yourself?

I co produce and write alot for my self and for my artist... I have helped all my artistS develop and I have about half a dozen artists right now that I have coming out with shit, so look out for every thing that 310 west has in store for 06. Like Huero Snipes *Sittin' On Roof Tops*, *Westcoast Geez* -the DVD, *Spanky Loco Presents Big Crime* -self titled album, *Kush Chronicles Vol 1*, the next *Spanky Loco Project*, and also the *Young Gunners* and a few other things.
